

# 2022 LITERACY CHAMPIONS

Our donors support changing the lives of African youth and communities, book by book. Literacy Champions encompass how we define our donors. Donations support all of our programs and activities, including shipping, providing teacher-librarian training manual and HIV/AIDS resources, and supporting our measurement & evaluation efforts.

All of our supporters receive access to benefits at varying degrees. Benefits are applied annually from one Harambee! to the next (typically October to October).
